Committee Reports

- Student Services

- Public Relations
 - Whiteboards and markers passed around – please make sure to hang them up outside your doors so that we can begin getting suggestions!

 - Will look into making videos for the SGA YouTube Channel.
- Academic Affairs
 - EPC did not meet this week.

 - We suggested incorporating our mentoring idea with the existing Peer Mentoring program and working with the Lilly Program.
- Student Advocacy
 - Met with Christie Kracker regarding 25-foot smoking rule. Open to suggestions on ways to enforce this rule better, and looking into placing cigarette receptacles closer to the entrances of buildings as people walk into them (so that cigarette butts don't litter the doorways).
